

Sandye Place Academy
Achievement Through Partnership

13th July 2018

Dear Parent / Carer,

I regret to inform you that Mrs McCamley has resigned from her post as Principal of Sandye Place Academy after 7 years in the role.

Mrs McCamley first joined Sandye Place 24 years ago and in that time has shown an unwavering commitment to ensuring that all pupils enjoy a well-rounded education that will set them up well for whatever the future holds. On behalf of the rest of the governing body I would like to thank Mrs McCamley for all that she has done for the school and to wish her well for her future endeavours.

However please don't think that this is further unrest. We wanted to ensure strength and stability for what is potentially our final year and are pleased to say that Mr Sale, our current Assistant Principal, will take up the role of Acting Principal for the start of the new academic year in September.

Since taking up the role of Assistant Principal in 2016 Mr Sale has proven himself to be a strong and dedicated member of the Senior Leadership Team (SLT) alongside Madame Riberaud and Mrs Kane. He is well respected and offers a strong stabilising influence, alongside the other SLT members.

Mr Sale will be supported in his new role by our School Improvement Partner who brings a wealth of experience in both leading schools and working with leadership teams to improve school performance. He joined the Academy as our School Improvement Partner in January 2018 and has worked tirelessly with the SLT to oversee the changes that needed to be made on the back of the Ofsted report. He already has a strong association with SPA and along with Mr Sale will be overseeing the academic drive for excellence whilst offering a comprehensive curriculum.

It is no doubt set to be our final year but it will be a strong and stable leadership team who will be supported by a fabulous team of teachers, who are committed to see it through the next year. The Executive Governors will also be giving that commitment for next year.

Plans are already in place to offer a full timetable for the final chapter. We look forward to welcoming the students back in September but extend our heartfelt best wishes to those who are moving on.

Yours sincerely

Hannah Ranson
